

JOHN HASTINGS,	)	Case No. 2:17-cv-01588-RFB-NJK
Plaintiff(s),	)	
v.	)	<b>ORDER</b>
I.C. SYSTEM, INC.,	)	(Docket No. 51)
Defendant(s).	)	

Pending before the Court is Plaintiff's motion to extend the discovery cutoff by 45 days. Docket No. 51. Defendant filed a response in opposition. Docket No. 53. Good cause exists for an extension to complete depositions. At the same time, depositions are routinely scheduled with ten-days' notice or less. *See, e.g., Reddy v. Precyse Solutions LLC*, 2015 WL 2081429, at \*3 (E.D. Cal. May 4, 2015) ("courts generally find that one week to ten days' notice is reasonable" (collecting cases)). Insufficient justification has been provided for a 45-day extension. Accordingly, the motion is **GRANTED** in part and **DENIED** in part. The discovery cutoff is **EXTENDED** to March 6, 2018 only with respect to the identified depositions. The deadlines for dispositive motions and the joint proposed pretrial report remain unchanged.

IT IS SO ORDERED.

DATED: February 16, 2018

NANCY J. KOPPE  
United States Magistrate Judge
